About Serving Our Troops

Serving Our Troops is a local, Minnesota effort to send special messages from home to our soldiers and families. Our projects are the result of efforts from volunteers and businesses and provide a free opportunity for families, friends, and soldiers to enjoy dinner together - a meal with the family. Since 2004, our projects have provided over 50,000 steaks for soldiers and families at home, on active deployment overseas, or stateside preparing for duty.

As our soldiers serve all over the world, the message of Serving Our Troops remains true to our first project – dinner with the family. Saint Paul to Fort McCoy will be **our 8th project** - another meal with the family and another message of thanks from home.
